Windsor-Essex Environment Committee stand up for solar

WHAT:

The Windsor-Essex County Environment Committee (WECEC) is launching a Public Education Campaign to increase environmental awareness and education of the benefits of solar energy and technologies in Windsor-Essex. The Public Education Campaign will showcase how solar energy and technologies in our region contribute to providing sustainable energy resources for the betterment of our environment. There will also be a variety of solar products and modalities on display courtesy of local solar manufacturers.

The Windsor-Essex County Environment Committee (WECEC) is an external advisory committee of City and County Council, and is comprised of a group of environmental-related organizations that meet monthly to ensure the ongoing health and stability of our local environment. WECEC's mission is to protect and enhance the quality of the environment for residents in Windsor and Essex County by providing advice, guidance and counsel to City and County Councils on policies and procedures, and by providing and supporting advocacy, community education and outreach programs.
